

Resources to fit your needs!

Our textbook return policy is designed to stand behind our products - we realize it can be difficult assessing exactly how many books are required per semester.

We allow returns if we are notified within 100 days of stock being received. Simply follow the steps below:

1. Return the books to us in good condition; stock must be unblemished and in resalable condition, including original shrink-wrapping (when applicable). The cost of return shipping is the buyer's responsibility.
2. Include either a copy of the original invoice. Please remember to include your return mailing address so we can send a company cheque.
3. Send the package to:

Longbow Publishing Ltd. - returns
7846 160 Street
Surrey, BC V4N 0T9

Your refund will be processed within five days of receipt. You may request a credit towards future orders. Feel free to contact us at publications@longbow.ca if you have any further questions.
